Жуп оюн · Сан курамы: 10го жана 20га чейин

10 жуптары

Эрежелер (2 оюнчу):

1. 40 картаны аралаштырып, ар бирине 5тен бер. Калганы — үймөк.
2. Колуңдагы 10 жуптарын (мис. 3 жана 7) ачып кой.
3. Кезек менен үймөктөн бир карта ал. Жуп чыкса — кой, жок болсо — кезек өтөт.
4. Карта бүткөндө эң көп жуп койгон утат.

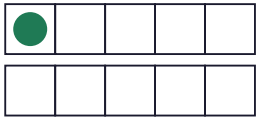

Текшерүү: жуптагы рамкалар бирге толук 10 көзөнөктү толтурат.

Кенен вариант: «Эсте» — бардык карталар бети ылдый, эки картаны ач.
